Computer Science Engineering Student | Aspiring Software Developer

PROFESSIONAL SUMMARY

Third-year Computer Science Engineering student at New Horizon College of Engineering with a strong academic record and hands-on experience developing web and mobile application projects.

Familiar with Java, Python, JavaScript, React, Flutter, and database fundamentals. Interested in software development and building practical, user-focused solutions; seeking opportunities to learn, contribute, and grow through internship and project based training.

EDUCATION

New Horizon College of Engineering, Bengaluru **2024-2028**
Bachelor of Engineering ,Computer Science - 8.89 CGPA (V)

K. H. Patil PU Science College, Hubli **2021-2023**
Classes XI–XII - Score: 92.8%

PROJECTS

• **Nnotes** – Handwritten Notes & PDF Annotation App – Kotlin, Jetpack Compose, Android
- Co-created and published an Android productivity app featuring handwritten note-taking, PDF annotation, stylus support, and study tools, including a Pomodoro timer. Available on **Google Play.**

• **P2P Companion –** Cryptocurrency Price Comparison Platform – SvelteKit, Svelte, JavaScript
- Developed and deployed a web application for comparing cryptocurrency prices across multiple exchanges, including Binance, Bybit, OKX, KuCoin, and MEXC.

• **H-Mart –** Korean Grocery E-Commerce Website – React, Vite, Tailwind CSS
- Developing a responsive e-commerce platform featuring Korean groceries, snacks, fresh produce, and K-beauty products, with backend integration, payment processing, and admin dashboard planned.

• **TabRemind –** Medication Reminder App – Flutter, Dart
- Developing a medication management app with scheduled reminders, recurring medication routines, and dose tracking; interactive blister-pack animations are in progress, with a patient–doctor portal planned for future development.

TECHNICAL SKILLS

- **Languages:** Java, Python, JavaScript, Kotlin
- **Frontend:** HTML, CSS, React, Svelte, Tailwind CSS
- **Backend & Databases:** Node.js, Express.js (basic), SQL, MongoDB
- **Mobile Development:** Flutter, Dart, Jetpack Compose
- **Tools & Concepts:** Git, GitHub, VS Code, Android Studio, Data Structures and Algorithms
- **Soft Skills:** Communication, Teamwork, Problem-Solving

EXPERIENCE AND ACTIVITIES

- **NCC — Sergeant**
  Served in the National Cadet Corps with the rank of Sergeant, developing discipline, teamwork, and leadership.
- **Smart India Hackathon (SIH)** — Participated as part of a student team working on a problem-solving project.
